Tenders for underground sewers work for industrial suburb — Housing area.

File No. 8336/996 of 195

Mysore Government Secretariat

Serial No.

Letter No. D·8/54-5 of 3/5/54 from the Chairman, C.I.T. Board, Bangalore.

5) The revised estimate for the Housing area of the industrial suburb in which a provision of Rs 7,60,000 is reported to have been made for drainage work is not yet sanctioned. In this connection, it is submitted that the Chairman has in his letter No. A3·P.R.121/53 & 5-5-54 (D.M. 1038/54-55 submitted separately) sent up the estimate for Rs 1,61,250 for providing sewers to the houses already built in the Housing area. It is not known whether the estimate for Rs 1,61,250 is exclusive of the cost of Rs 7,60,000 or it is also part of the major work. This requires clarification. Draft D.O. letter is put up to get this point clarified before the file is referred to the Chief Engineer.

TENDERS FOR UNDERGROUND DRAINAGE WORK IN INDUSTIRAL SUBURB, BANGALORE.

...

U.O.Memo.No.G.I. 2846/10-6-54. Dated 10-7-54.

Returned with the following observations.

12) It is seen from the comparative statement that item No.7 viz., laying, jointing etc., of C.I.pipes of 7", 9" and 12" and 15" diameter, the rates have been called for on Rft. basis but the quantities are not specified and hence the Comparative cost of this item cannot be arrived at. If this item is taken into consideration, the lowest tender may not be of that of Sri Subbaiah, as the rates quoted by him are not the lowest.

13) If the work is to be entrusted on piece work basis, on the lowest tender rates of Sri Subbaiah, the rates quoted by Sri Subbaiah for item No.7 which has not been taken into consideration for purposes of comparsion of cost has to be excluded, or a comparative statement based on the tender rates for item No.7 also, has to be got up before arriving at the lowest tender.

GOVERNMENT OF MYSORE

Tele[illegible]

OFFICE OF [illegible] MUNICIPAL BRANCH.

The Chairman, City Improvement Trust Board, Bangalore.

No. 5417/53-54
Encls. 1 Comparative Statement with 21 tenders (50 papers).

Date 23rd March 1954.

To GB. 29. 54.

The Secretary to Government,
Local Self Government and Planning Departments,
Bangalore.

Sir,

Subject:- Tenders for Under-ground sewers work for Industrial Suburb.

I write to state that tenders were called for for carrying out Under-ground Sewers in the Industrial Suburb and in response to tender notification 21 tenders were received. The estimated cost of the work is Rs.74,401/- and against this, the highest tender received was for Rs.76,056-9--0 and the lowest was for -- Rs.59,745--5--0. This was placed before the Board at its meeting held on 26th September 1953 and considering the exorbitant unworkable rates quoted by the tenderers, it was decided to let out the work at the Schedule Rates for 1953-54 for earthwork excavation and Jack-bund Works and to adopt in other cases the -- average rates worked out on the basis of quotations received and approved.

Subsequently contractors came forward to take up the work at the lowest tendered rate and in view of the urgency the work was entrusted to several contractors on piece-work basis at the lowest quoted rate of Sri N. Subbiah, in order to work out the allotment.

Again this was placed before the Board at its meeting held on 10-3-54 and resolved:-

> "That the action taken by the Chairman to get the work done through piece-work contractors at the lowest tendered rates be approved".

Under the cirqumstances I request that sanction of Gov

P.T.O.

Government may kindly be obtained and communicated for the action taken by the Board to entrust the works on piece-work basis at the lowest tender rates.

The Comparative Statement along with the 21 tenders are herewith submitted for kind information and return.

Yours faithfully,

(R. Madhavan) 23/5

Chairman.

Dear Sir,

With reference to your letter No. D 8 / 54-5 dt 13-5-54 on the above subject, I am desired to state that as seen from your letter under reference, the cost of underground drainage work in the Industrial area amounts to Rs. 7, 60, 000. ~~But~~ In your letter No. A 3 P.R. 121 / 53-4 dt 5-5-54 sanction is sought for separately to an estimate for Rs 1, 61, 250/- for providing sewers to the area where houses have already come up in the Industrial area

WD 03546—GPB—10,003 —14-8-53

(9)

Information may be furnished as to whether the estimate for Rs 1,61,250 is exclusive of the cost of Rs 7,60,000 of the general scheme or whether it is a part of the scheme and whether the cost of both the works is debitable to the estimate for the boring scheme.

In your letter W.5417/53-57/flg. & 23-3-54 sanction is sought to accept the lowest tender of ~~executes~~ contractors on piece-work basis at the lowest tendered rates for the work costing Rs 74,401/-

It may kindly be explained whether the cost of this work works out to Rs 74,401/- when the cost of the Scheme, as per revised estimate, amounts to Rs 7,60,000. and why only a part of the work costing Rs 74,401/- is proposed to be executed.

A reply may kindly be sent within three days.

CITY IMPROVEMENT TRUST BOARD,

Bangalore, dated...1st..June.....195 4

D.O. No. 916/54-5

Dear Sir,

1637

Subject:- Tenders for Under-ground sewers work for Industrial Suburb.

In reply to your D.O.letter No.L.1892 dated 24th instant on the above subject I write to state as follows:-

The total cost for laying Under-ground sewers for the entire housing area in the Industrial Suburb amounts to Rs. 7,60,000/-. Subsequently an estimate amounting to Rs.1,61,250/ for Laying Under-ground Street sewers in the area where houses - - already put up and are in occupation was forwarded for sanction in this Office No.A3.P.R.121 dated 8th August 1953. This estimate for Rs.1,61,250/- is only a part of the total estimate amounting to Rs.7,60,000/- referred to above.

sub-E on 21/5/54

Tenders were called for on the basis of the sub-estimate amounting to Rs.1,61,250/- and the work portion of the estimate excluding the cost of S.W. Pipes and Junctions, Contingencies, Temporary Establishment charges works out to Rs.74,401/-. Sanction of Government was therefore sought for in this Office No.5417/53-54 dated 23rd March 1954 to have the work portion executed on piec work basis at the lowest Tender rates in accordance with the resolution of the Board dated 10-3-54. Since the houses alread constructed are all in occupation it was proposed to give under ground drainage facility in this area in the first instance.

To,

The Chairman, C.W.T.B,
Bangalore.

Sir,

With reference to your letter No. D 8/5205 dt 3-5-54 on the above subject, I am directed to state as follows:-

It is seen from the comparative statement that item No.7 viz laying, jointing etc of C.I. pipes of 7", 9" and 12" and 15" diameter, the rates have been called for on Rft basis but the quantities are not specified and hence the comparative cost of this item cannot be arrived at. If this item is taken into consideration the lowest tender may not be of that of Sri Subbiah, as the rates quoted by him are not the lowest.

If the work is to be entrusted on piece work basis on the lowest tender rates of Sri. Subbiah, the rates quoted by Sri. Subbiah for item No.7 which has not been taken into consideration for purposes of comparison of cost, has to be included; or a comparative statement based on the tender rates for item

(14)

No. 7 also, has to be got up before arriving at the lowest terms

In the light of the above observations, I am to request you to take necessary action & send revised proposals early. Records accompany reference. necessary action & return with the reply.

3 AUG 1954
DEPARTMENT

Sir,

GTB.29.54-3

Subject:- Tenders for Under-ground sewers work for Industrial Suburb, Bangalore.

With reference to your No.L.4655 dated 25th July 1954 on the above subject, I write to state that cast iron pipes of 7", 9", 12" and 15" diameter are used only in places where the sewer line has to be taken across open drains and hallas, in short isolated lengths wx here and there. Contractors were requested to quote for these items with the idea of having a - - tendered rate for the item at the time of execution and to avoid objections in audit of bills at the time of payment.

The supply of pipes will be made Departmentally and only the laying charges will be paid to the contractors. The total length of pipe line to be laid may be about 72 R.Ft. and this will have to be of 12" diameter. The Contractors have quoted only laying charges and even if item No.7 is taken into consideration for purpose of claculating the lowest tender it will not materially affect the tendered cost which in this case - - happens to be that of Sri N. Subbiah.

In view of the circumstances explained the lowest tender may be accepted as resolved by the Board.

All the records received from you with the letter under reply are returned herewith for necessary action.

Yours faithfully,

(R. Madhavan)
Chairman.

Deleting item no. 7,

The lowest tender is that of Sri. N. Subbiah and amounts to Rs ~~54,937~~ 59,745/- ie Rs 15,191-11-0 less OR 20.2% less than the estimated amount.

The Chairman, proposes to have the work executed on piece work basis at the above lowest tendered rates, in accordance with the resolution of the Board

(20)

It to be noted that item 7 the estimate comprises the laying, jointing etc of CI pipes of 7", 9", 12" and 15" dias. The rates for these have been called for on R.ft basis but the quantities are not specified and hence the comparitive cost of this item cannot be arrived at. Depending upon the quantities of this item, the lowest tender may well be a different one, as the rates quoted by Sri Subbiah for this item is not the lowest.

If piecework is to be awarded on the lowest tender rates of Sri Subbiah, then, the rates quoted by Sri Subbiah for item no. 7 which has not been taken into consideration for purposes of comparison of cost, has to be deleted.

Or, a comparitive statement based on the tender rates for item no. 7 also, has to be got up, before arriving at the lowest tender

Lowest Rates

Item 7	Rates quoted by Subbiah	Rates quoted by Ramanadha	Rates quoted by Ramakrishna
7" dia	0-8-0 R.ft	0-3-0 R.ft	—
9" dia	0-12-0 R.ft.	0-5-0 R.ft	
12" dia	0-14-0 R.ft	0-9-0 R.ft	0-10-0 R.ft
15" dia	1-0-0 R.ft.	—	

Sri Subbiah's rates are higher

The lowest rates quoted by M/s Ramanadha and Ramakrishna for 7", 9" and 12" dia CI pipes and that of Sri Ramakrishna for 15" dia pipes needs consideration

Rates

For orders. Yes
6.7.64

The proposal of the Chairman to entrust the work at the lowest tendered rates of Sri Subbaiah is applicable
